

# Oregon Wine Board Classifieds

The Oregon Wine Board has developed a Classified tool which will allow the wine industry to buy and sell products as well as post jobs and resumes. All members of the wine industry are welcome to use the tool.

URL: <http://explorer.oregonwine.org/classifieds.php>

If you already have an Oregon Wine Explorer account **and** password, use that information to login and post a classified.

New registrants should click on [Apply](#) and complete the registration form.

Once logged in, click on [Classifieds](#) and [Create New Classified](#) then complete the information. After clicking Submit New Classified, your listing will be live.

Please remove your item after your need has been filled. If not removed, your post will automatically expire after 30 days.
