

THE CULINARY INSTITUTE OF AMERICA *presents*

Global Plant-Forward Culinary Summit

May 1 – 3, 2019

The Culinary Institute of America at Copia
Napa, CA

WINE, BEER, AND SPIRIT SPONSORSHIP

We are excited to present sponsorship levels and benefits for wine, beer, and spirits companies to participate in our Global Plant-Forward Culinary Summit.

THE GLOBAL PLANT-FORWARD CULINARY SUMMIT, a unique program to celebrate our new Plant-Forward Kitchens digital media project presented by **THE CULINARY INSTITUTE OF AMERICA**, brings together a select group of food and beverage leaders in American foodservice to experience, discuss, taste, and innovate their way through the growing trend of plant-forward menus.

This culinary summit will welcome an audience of 250 - 275 foodservice industry leaders including corporate and executive chefs and culinary/food and beverage leaders from all sectors of the foodservice industry. Along with demonstrations by chefs from the **PLANT-FORWARD GLOBAL 50** (www.plantforward50.com), sessions will include hands-on culinary inspiration workshops guided by CIA and guest chefs, focused breakout seminars, and mouthwatering plant-forward meals.
